

BfE Chapter Creation Process

Join us to build a more inclusive and sustainable future.

1

Online Application

Submitting the chapter creation form on our website. Use this opportunity to showcase your passion for our mission and motivation for starting a new BfE chapter.

2

Interview

A casual conversation about your background, alignment with BfE, preliminary chapter structure, and chance to ask any questions.

3

Chapter Proposal

A formal presentation outlining the strategic planning behind your chapter proposal. Make sure to address any foreseeable challenges you may face during recruitment.

4

Approval and Onboarding

Official approval of your new chapter, mandatory new chapter leadership training, IT onboarding, client management and more.
